COLORBOND® steel, BlueScope and ® colour names are registered trademarks and ™ colour names are trademarks of BlueScope Steel Limited.

The COLORBOND® steel colours shown above have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as limitations of web palette colours affect colour tones.

Please also note that if you are printing this page the colours will not be accurate using most printers and should not be used for colour matching purposes.
